New Dancers

A huge welcome to all the dancers who have joined Encompass this month – it's lovely to see our family expanding. Whether you're just beginning your dance journey or adding another style to your training, we're so excited to support you every step of the way.

Proud Teacher Moments

INSPIRING THE NEXT GENERATION

We're incredibly proud of Miss Martha, who has reached a huge milestone by getting her very first pair of pointe shoes. Achieving pointe takes dedicated training, strength building, and focus, and it's wonderful to see her hard work as a student come to fruition.

Both Miss Martha and Miss Ella have taken part in the Five Towns Summer School production of Frozen Jr. this summer. They managed this alongside their usual dance classes and student teaching on Saturdays, showing real dedication and commitment to both their own training and helping others.

Their time at summer school was a proud moment for us all – seeing them perform with such enthusiasm and talent shows how hard they work.

These achievements are a lovely reminder of how dedication and commitment can inspire our younger dancers. Congratulations to both Miss Martha and Miss Ella – we are so proud of everything you've accomplished!

Refer & Win

Our Refer a Friend offer is still running! If you recommend a friend to join Encompass, you will receive an exclusive goodie bag, and both of you will be entered into our Grand Prize Raffle. Don't miss out – spread the word and help our dance family grow!

New Classes

EXCITING ADDITIONS TO OUR TIMETABLE

We're thrilled to announce two exciting new classes joining our timetable this term!

✨ Intro to Ballet & Tap – designed for our youngest dancers, this class creates a smaller, age-specific group so that each child can get the very best start in their dance journey. With more focused attention and a gentle introduction to both styles, it's the perfect stepping stone for little ones.

✨ Triple Threat (ages 10–18) – for our older dancers who want to develop their all-round performance skills in dance, singing, and acting. This class is a fantastic opportunity to build confidence, explore creativity, and train like a true performer!

Spaces are now open in both classes – don't miss your chance to join.

Party Time at Encompass

CELEBRATING BIRTHDAYS WITH FRIENDS, LAUGHTER, AND OHANA

We had such a brilliant time hosting a Stitch-themed birthday party in the studio – full of dancing, games, snacks, and plenty of fun with friends. The atmosphere was buzzing from start to finish, and it was wonderful to see everyone enjoying themselves and celebrating together.

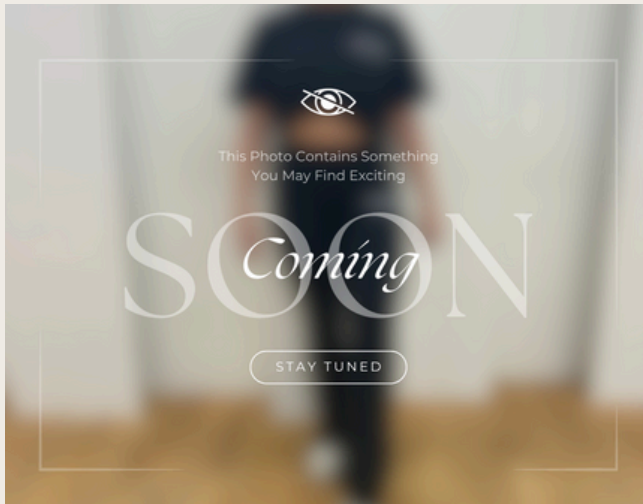

Our parties are always a special way to bring friends and family together, with a big dose of “ohana” spirit. It's moments like these that remind us how magical dance can be in creating memories that last.

If you're looking for a unique way to celebrate your child's big day, don't forget we offer party packages here at Encompass. From themes to activities, we'll help create a celebration your child will always remember.

HELPING YOUR CHILD FEEL READY AND CONFIDENT FOR CLASS

Little details can make a big difference to your child's confidence in class. Having their uniform ready, hair neatly tied back, and a water bottle packed means they can walk into the studio feeling calm and prepared. These small steps help them focus on what matters most – enjoying their dancing and making new memories each week.

New Uniform

MORE ITEMS ON THE WAY
FOR OUR DANCERS

We're excited to share that more Encompass Dance Academy uniform items will be available soon. These will give our dancers even more choice and flexibility, whether it's for weekly classes or special events.
